

南山小学校

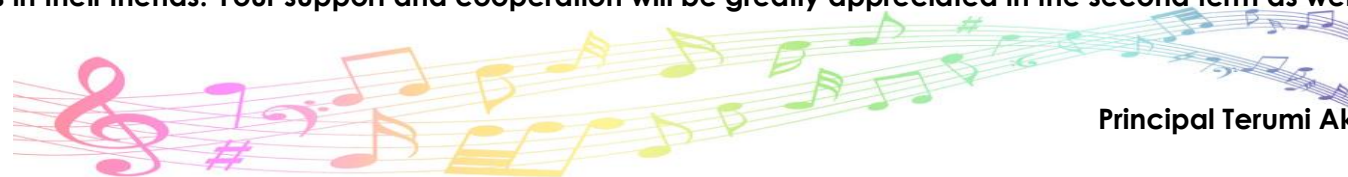

The students arrived vigorously at school while holding their summer projects protectively. Now it is time for the second term to begin. There will be many fulfilling academic events beside the everyday studies in the second term. I hope that the students will grow up healthy in mind and body through experiencing the school events.

Our school promotes "Olympic and Paralympic Education" and "Japanese Traditional Culture Education."

This Year's Planned Events

- Grade 1 *Wasaho* (Japanese Manners) (How to use chopsticks)
- Grade 2 *Kendama* (Japanese Cup and Ball game)
- Grade 3 *Furusato Kabuki*
- Grade 4 *Sado, Somekomon* (Tea Ceremony, Fine-Pattern Dyeing)
- Grade 5 *Kado, Wagakki, Bunraku* (Flower arrangement, Japanese instruments, Japanese puppet theater)
- Grade 6 *Kodo, Wagakki, Bunraku* (Incense, Japanese instruments, Japanese puppet theater)
- Grade 3 and 4 Paralympic Sports Experience "Boccia"
- All Students *Gidayu* (Japanese puppet show with shamisen chants)

Field trips for Grade 1 and 2, Social Studies Field Trips for Grade 4, 5, and 6, the Intercity Swim Meet, Sports Event, and the Job Experience for Grade 6, and the whole-school Art Exhibition and Music Concert are scheduled in the second term. All school faculty will strive to guide the students to recognize and enhance the good qualities in themselves as well as in their friends. Your support and cooperation will be greatly appreciated in the second term as well.
