Application-Style Individual Parent-Child-Teacher Meetings

As always, thank you for your understanding and cooperation with our school's academic activities. As known by many already, the temporary school closure has been extended until May 31st.

As detailed below, our school will be holding Application-Style Parent-Child-Teacher Meetings. Thank you for your understanding and cooperation.

Notice

1. Objectives
 - Discuss how your child has been studying and spending their time during the school closure.
 - To better understand the students, hear from the parents about their child's living environment and state of their family.
 - Deepening coordination with the parents and families will be good for instruction later on.

2. Period May 14(Thu), 2020 ~ May 29(Fri), 2020

3. Itinerary
 - Meeting times will be from 9:00 ~11:30 in the morning and from 1:30 ~4:00 in the afternoon. Please see the meeting schedule for each grade listed below.
 - Meeting dates and times will be determined on a first-come-first-serve basis. Those wishing to apply should do so by calling the school before noon on May 15 (Wed).
 - Each meeting will be concluded within 30 minutes.
 - The basic style of meeting will be 3-way, with a parent, their student, and the teacher. Each household can decide whether or not their child participate. It is also possible to have a meeting with a parent and teacher only.
 - Please bring any homework completed during the school closure.
 - Precautions will be taken in the classrooms to avoid the 3 C's (Closed spaces, Crowded places, Close-contact settings).
 - Please wear a mask while in the school.
